CAMPAIGN "JUSTICE FOR WOMEN" EXPOSE LEGAL CORRUPTION

(Newsletter No 2)

"REIGN OF TERROR" FOR ACTIVIST IN WOMAN'S RIGHTS CAMPAIGN

"you will disappear for life" !

The above caption is an extract from a 'warning' Ms Reid received from Mr Nigel Lee Nottingham City Councillor, and personal friend of JOHN HODGSON, (with whom he worked closely in the Nottingham branch of the N.C.C.L. and 118 Workshop, Mansfield Rd.(just to mention a FEW of the 'Left Wing' Party Political Organisations involved.), about what The Law was about to do to her if she continued to fight against The Corruption and CRIMINAL ACTIVITIES of The Lawyers and Courts which had left her in the 'living' conditions shown in the above picture... and we quote - "Lexie, do you know what JOHN HODGSON is about to do to you.? He's going to set the Department of Public Prosecutions onto you, and if you're LUCKY you will get two years. If not, then you will be locked away for life and never heard of again - and you'll get NO publicity. The Courts will make sure of that."

CAMPAIGN

"JUSTICE FOR WOMEN"

This is our second "Justice for Women" newsletter, and just like the first it is being put together in a great rush. However, unlike the first we are not going to limit ourselves to the generalities of 'cases' of The Law, but use this newsletter to produce the EVIDENCE that not only is "The Law" CORRUPT and Biased against women, but that it is so to such an extent that "It" and it's agents will resort to CRIMINAL ACTS in court to deny women their Legal Rights, and Persecute any woman who 'dares' to fight against this Male Corruption.

We are doing this in the hope that printing the evidence of the Criminal Activities of Courts will at last make women realise that the only role of 'The Courts' and their Agents i.e. Solicitors etc. is to deny women both Legal and Human Rights, and perpetuate His "professional status" by persecuting and destroying those of us who take any part what so ever in the struggle for women's Human Rights to justice, fair play, and the Freedom to choose our Own lives and lifestyles, rather than being coerced and intimidated into 'living' by HIS 'rules', HIS "judgements", HIS "needs" and the lifestyle that HIS "system" has carefully mapped out for us. i.e."Subserviant Servant" sacrifising ourselves on the alter of Male Ego, and pandering to HIS lusts, greed and selfishness, while continually boosting HIS moral by sheilding him constantly from the knowledge of his own inadequacy.

We also hope that by printing the Evidence of this Corruption and Criminal Activity, women will come to the realisation that no way do we even have a hope in Hell of obtaining Justice via His dens of iniquity called "courts", where He uses his position of power to work out his Womb Hate and Envy (i.e."FEAR"?) by cold bloodedly and calculatingly Perverting the Course of Justice to his Own cause,while meting out his own particular brand of Patriarchal Judgements and "Judicial Decisions" which are made as he perches so high on his own erection that his head is buried in the "clouds" (Aspiring to be "god" ??) that he can't see through the fog of his "brain" and therefore separate Fact from Fiction, Truth from Lie and Herstory from Myth, as he fantasises about his own "glory", resulting in extremely biased against Womben "judgements" being made in these courts of His "Judicial Decisions".

As women, we have long been aware of the injustices perpetrated against us through these extremely Biased and Male Dominated "courts", but now that we have the evidence to PROVE that this Biased Hatred (FEAR? ENVY?) of Women is so strongly entrenched throughout'our' system that courts will even resort to Criminal Acts not only to deny us the minimal of legal 'rights' that His system has given us, but to PERSECUTE us if we dare to fight for the minimal of 'rights' that His system has 'allotted' to us, yet goes out of it's way to deny us, and now that we have the evidence to PROVE that the whole male dominated system of things (e.g. City Councils, Political Parties "High Chief Justices", Lord Chancellor, Attorney General, Department of Public Persecutions...Woops ! Freudian slip. House of 'Lords', Law Societies & Lawyers, Police - would you believe?, just to mention a FEW,)are not only prepared to sit back there

and 'applaud' it happening, but are prepared to bend over bachwards to Protect and Cover Up for the CRIMINAL ACTS of Court, and the "MALPRACTICE WITH INTENT" perpetrated with "Malice Aforethought" by the 'solicit(H)ers, Registrars etc. involved. i.e. "The Agents of The Law" - The Toòls of State, used by "The Master" - The Oppress-(H)er, "The Capitalis(H)er" of Womban's Oppression, Suppression, and "Depression" ! "The Big Business" that thrives and survives on Wombens' No paid and Low paid labour, and therefore can only perpetuate itself so long as Women are kept in a subserviant and "Dependant" situation - Socially, Emotionally, and FINANCIALLY, we can only hope and Pray to HER - Atè - that this newsletter producing the Evidence of His corruption and Bias against women (i.e. Fear and Envy of) will at last be enough to awaken our Sisters' to the fact that the time has come for Women to Reclaim their position of "Superiority of Nature" - Love/Honesty/Truth/Justice & Caring etc. - which our position in the 'creation' has given us, and that we can only do this by Organising ourselves into some semblence of "Self Respect" and the MILITANCY which our suffrage sisters' realised long ago was necessary. Why is it that what HE terms as our "normal" sisters take so long to catch up with the "advanced" thinking of our 'radical'/Revolutionary Feminist sisters' who realise that only when we get back to the Grass Roots of the Sickness of this system (i.e. This "Cyst-Him" called "man" who has an intelligence so far removed from Wisdom and "MOTHER NATURE" that he "Balls Up" everything he touches) will we be able to get back to the NATURAL system of things, where "values" are put in perspective and Humanity and Human Beings rate a much higher standing than the Profits of the "Profit Heres".

Womben can no longer allow the continual destruction of Women and Women's lives under a Patriarchal system which has proved through the ages of HIS-story, that "man" is not fit to "Rule the Roost" - or anything else for that matter. After all, look at the crowing of'The Cock',but what does He actually DO ??? If you think about it sisters', you will find that this "cock" can't even 'lay' An Egg, yet his continual 'Crowing'of His own Prowess wakens us up every morning In Alarm.!Does this not*ring a bell*sisters'? Don't you think it was time we were listening to "The Call of NATURE" and putting "man" kind in HIS place once and for all.? Don't you think Womban-kind has suffered long enough "Humouring" this 'Gentle Giant', this Mentally Retarded IDIOT called "man".? Don't you think that it's time - for the sake of the Human Race - that Womben began to "RE-claim The Nite", by putting THAT "Knight" in his place and burying him in the suits of (H)Arm(H)er that he has built up and Designed over his ages.?

If we have a conscience, how much longer is it going to take before we allow our "fear" trepadition of HIS "Authority" to be overcome.? How much longer are we going to sit back with unseeing eyes, watching our sisters' suffer, as we suffer "alone", thinking that it is just "our" misfortune.? When are'woo-men' going to open their eyes to the fact that we do NOT suffer "alone", that each individual Womban's struggle and suffering is for one reason, and ONE 'reason' ALONE - SHE is "Womban" Labouring to "live" under Mans' Domination and "Authority". ? When are Womben going to realise that "HE" can

only Have this "Authority" so long as we continue to 'allow' him to Have it.? When are Womben going to realise that we have the answer to our own Salvation, and the salvation of future generations right in our own hands.? [And herein comes the 'conundrum' which we hope you are all going to help us solve....'The FEmale' makes up approx. 50% of the population - if not More, the "Authorities", e.g. The Law, Westminster, House of "Lords" etc. backed up by "The Army", and "The Police"(of course), make up a MINORITY of the 'other' 50%, so if we,with our FULL 100% of OUR 50%,took stance together, where would that MINORITY of "The Other" 50% be.???]

So, Come On sisters', join our camapign NOW. "Unite and FIGHT". Help us make this Legal Corruption and the CRIMINAL ACTIVITIES of Courts etc. a PUBLIC issue. Write to the "Authorities" AIDING & ABETTING these Criminals by covering up for them. Print leaflets NAMING the perpetrators of the injustices and their Partners in Crime. DEMONSTRATE against 'The Law' and The LaW Societies and Legal Dignatories and Bodies who have been PROTECTING the Criminal Acts of Court, carried out under the instructions of Unscroupulous solicitors, with the Deliberate Intent of Persecuting and Destroying a Womban and Denying her ALL Legal Rights. If The Courts and solicitors' involved get away with a case as Blatent as this Now - Despite the Evidence of their Corruption, then Womben may as well give up ALL hope of 'ever' getting Justice and Human Rights, and may as well be prepared to sit back for ever and watch these Courtiers laugh all the way to "The Bar" to 'Drink Up' from their Cup of Evil as they Celebrate The Power and Immunity they have, to Torment and Persecute women.(At the end of this N/L you will find an 'almost' Complete list of those involved in or with this "Divorce" case, and in or with the Cover Up Procedures which are and have been taking place.)

A PRAYER TO WOMBEN.

Overcome your fear of Man
'Cause this is what he plays on
Unite & Fight - Demand our Rights
How else are we to gain them.?

The Bastards be they white or brown
Will do their best to keep us down
They can't afford to set us free
'Cause if they did they'd cease to be

So overcome your fear of HIM
'Cause this is what HE plays on
An inculcated fear of 'THEM'
To keep us all as minions

No man born will volunteer
In giving Womban Status
But always there are plenty of
Those giving us Lip Service

So overcome your fear of 'MEN'
'Cause this is what theyplay on
UNITE & FIGHT DEMAND OUR RIGHTS
HOW ELSE ARE WE TO GAIN THEM ?

Disregard the sayings of
The so called sympathetic
They are the machinations of
The Liar and Despotic

And overcome your fear of THEM
'Cause this is what they play on
UNITE AND FIGHT WITH ALL OUR MIGHT
To gain our RIGHT of Freedom.

UNITE UNITE - WOMBAN UNITE
AND FIGHT OUR-SEX OPPRESSORS
Until we do, we'll continue to
Be squashed by Male Compressors.

"CRIMINAL"

What does the word "criminal" conjure up in Your mind.? Does it make you think of Murderers, Rapists, Robbers, Batterers of Old Ladies etc.? The Crimes of the so-called "Lower" and Working classes.

does crime pay ?

As crime now appears to be an endemic, Highly Contagious disease, have you ever wondered where the Infection began ? How far this Illness has been allowed to permeate through our system ? Who Benefits ? And HOW ?

YES !

(DEPENDANT ON WHO YOU ARE)

Crime DOES pay. If You wish to know more of the Crimes that are Never Punished and the Criminals who are never caught, please read the inside pages.

In August 1981 - Lexie Reid - after having had Thirty Years of her life thrown away by The Law because of it's refusal - on several occassions - to divorce her from an extremely Violent marriage partner, approached a firm of Nottingham solicitor's - GREGSONS, 84 Derby Rd., who promote themselves as sympathetic to women's issues, and instructed them to begin divorce proceedings against her husband - Victor T Southam, 306 Wigman Rd. Bilborough, on the grounds of years of his continual physical and mental Violence, Abuse and adultery, as he had now absconded from the marital home to live with the latest in his line of Lady Loves.

Within a few months, Gregsons had their clients completely Water-tight and Well Documented case for Divorce on grounds of CRUELTY, DESERTION and ADULTERY, completely reversed to the favour of her husband V.T.Southam.

During the past Three Years that Ms. Reid has been attempting to gain a civilised divorce through Nottingham's Legal System, the Criminal Acts, Professional Misconduct and Malpractice she has suffered from at the hands of the Solicitors' and Registrars of Court involved, have caused untold suffering to Ms. Reid and her family, and Ruination to her home and Possessions. Ms.Reid was FORCED to live on £32 per week 'maintenance' to keep herself and two teenage sons for over Two Years, this later being 'raised' to just over £40, while her husband's NET income was Over £15,000 Per Year plus FREE Car, Food, Telephone ETC. During this time, the husband's solicitor - JOHN S HODGSON of Fraser, Brown, White & Pears, 84 Friar Lane, Nottingham.,made arrangements to have All her husband's debts ILLEGALLY transferred into Her name. Court Documents were tampered with, and Ms. Reid's name Substitued on Summons' and Judgements Against V T Southam.(She was ordered by her solicitor to pay these debts from her Thirty Two Pounds per week.)

The Courts and Local Authorities involved had held these debts for Over Two Years, and on the day Ms Reid's Decree Absolute went through Nottingham County Court on the 25th January 1983, Nottingham City Treasury, and Birmingham County Court transferred these debts into Her name, and the Registrars Hibbert, Hotter and Enzer, who signed her Decree Absolute on the 25th January 1983 in the Nottingham County Court, then signed The Warrent to send the Bailiff to remove HER possessions to pay her Husband's bills.

The cost to Ms. Reid and her family as the result of the Criminal Activities which have taken place, is beyond calculation. The

Physical Discomfort and Hardship, the Emotional Trauma, the Breakdown of The Family, and the Financial Loss sustained by Ms Reid as a result of these actions, is impossible to describe.
(And this is "The Law" that took Thirty Years to grant HER a divorce on grounds of CRUELTY DESERTION AND ADULTERY.!)

During this time Ms Reid had repeatedly appealed to the Law Societies of Nottingham and London, The Department of Public Prosecutions, The Lord Chancellor, the Attorney General, M.P's, Local Authorities, Police ETC. and NO ACTION HAS BEEN TAKEN TO PUT A STOP TO THE CRIMINAL ACTIVITIES BEING PERPETRATED AGAINST HER. Instead, SHE has been Harrassed by the Police, Threatened by members of the City Council and the Registrars of Court, and 'warned' against taking any further action to protect her home and family.

BY LAW, Ms Reid Should have been receiving OVER £500 per month maintenance. Instead, as a result of the Professional Malpractice and Misconduct of the Legal Personel involved Ms Reid was only receiving £200. An approx Loss of £300 per month in maintenance alone.

TODAY, THIS "MAN" AND HIS SOLICITOR HAVE THE AUDACITY TO TAKE MS REID INTO "COURT" AGAIN - TO HAVE THIS AMOUNT REDUCED.

One can only wonder what 'sway' JOHN S HODGSON has, that B'ham County Court will carry out Criminal Acts at his instigation, and the Registrars of Nottingham County Court not only CONDONE his Professional Malpractise and Misconduct, but will AID and Abet it.

IF YOU HAVE BEEN SHOCKED BY WHAT YOU HAVE READ IN THIS LEAFLET, HELP US MAKE THIS SCANDAL AND CORRUPTION IN COURT A PUBLIC ISSUE. LOBBY YOUR M.P. - WRITE TO THE LAW SOCIETIES AND GOVERNMENT DEPARTMENTS DEMANDING A PUBLIC ENQUIRY.

HAS THIS HAPPENED To YOU ?

HAVE YOU HAD A DEBT TRANSFERRED TO YOUR NAME ?

Have YOU had to pay your EX husband's bills ?

THIS IS WHAT HAS HAPPENED TO A WOMAN LIVING IN NOTTINGHAM. HER EX-HUSBAND, NOT CONTENT WITH LEAVING HER WITH NOT ENOUGH TO LIVE ON, IS NOW TRYING TO MAKE HER BANKRUPT AND HOMELESS. THE "COURTS" IN "NOTTINGHAM AND BIRMINGHAM" ARE A PARTY TO ALL OF THIS. WE CALL THIS "CORRUPTION".
CERTAIN SOLICITORS, AND COUNTY COURT REGISTRARS, AND LOCAL AUTHORITIES HAVE ABUSED THE LAW TO SUCH AN EXTENT, THAT THEY HAVE PERVERTED THE COURSE OF JUSTICE IN ORDER TO FORCE THIS WOMAN INTO THE POSITION OF HAVING TO SELL HER HOME TO PAY THE EX-HUSBANDS DEBTS.

WILL YOU HELP ?

WE NEED YOUR SUPPORT TO STOP THIS NOW.

DISTRIBUTE THIS LEAFLET, AND WRITE WITH YOUR COMMENTS AND SUPPORT (ENCLOSING AN S.A.E.) TO:-"CAMPAIGN JUSTICE FOR WOMEN"

If you are interested in JUSTICE and would like a "Further Education" about the true extent of the Perversions of justice taking place in these(criminal) Courts, please send to "Justice for Women" (enclosing 10p + postage) for a list of publications on the other aspects of this case (e.g. DHSS -Tools of State ?) via 32A Shakespeare St, Nottingham. (Postal Address ONLY)

As this case is not merely another 'Typical Example' of what happens to women under the auspices of Male Domination, but is unique of it's kind in that it gives us the Documented Evidence to use against them, as regards the scale of the injustices to which women are subjected, and how far 'man' will go to cover these up - and the Full Blown Testeria to which HE is subject if any Woman dares to fight against them, it is impossible to bring out all aspects in this small newsletter. However, as each aspect of it's own accord is an important Record of the generised Anti Woman attitude still prevelant to-day, and an Important Herstory in the struggle for Women's Rights, the relevant documents for each aspect have been gathered together, and printed as a 'separate' report on each. This being the only way possible for a Full and Complete record to be kept on the extent of The Corruption and it's Cover Up,and the Harrassments received in attempts to "gag" The Truth - and WHY. ! (If you would like to learn more of Mans' Corruption and read the other aspects of this case - a "Publications" list is enclosed.)

In the meantime, on the next pages (7,8,9) you will find copies of an OPEN letter Ms. Reid has sent (which speaks for itself) in an attempt to have the Further Criminal Acts dealt with in a correct manner, and copy of another letter of complaint to The Law Societies Hall.... We can but wait. Not with baited breath of course, as on the following pages (10,11) you will find a copy of a letter Ms. Reid sent to Mrs. Thatcher One Year ago after she had 'failed' to even acknowledge Ms Reid's letter of complaint and request for HELP as she lay on the floor of her empty home 'freezing' and 'Starving'. ! So much for our Hand Picked "Ladies of The House" ! (See Oppenheimer in "Conspiracy"booklet.)

Below are a few more examples of what's happening to women through these courts of so called "Justice". Can YOU let it happen any longer ? Join our campaign NOW.!

Sirs/Madam,

During the past Four Years I have been attempting to obtain a Just, Honourable and Civilised Maintenance Order and Settlement in Divorce through Nottinghamshire's Legal Establishments and Local Authorities, I have had cause to write numerous letters of complaint to a Variety of Legal and Administrative Bodies and Personel - Including Yourselves, as regards the Misconduct of my divorce case, and the resultant Criminal Acts which took place against me by the Legal Establishments and Personel involved (e.g. The Interference with Court Documents which took place in Birmingham Couty Court, as MY name was Substituted on on Summons' and Judgements against my EX husband for NON Payment of Debts to Local Authorities, and The Bailiffs' sent to remove MY possessions to pay my EX husband's Bills.)

As Each and Every department I wrote to REFUSED to take action as regards the Criminal Acts, and the Professional Malpractice and Misconduct of the Establishments and Personel involved, and merely sent 'run around' replies to me in not very clever attemp to cover up their Cover Up - as they had ME Harrassed by Threats, Intimidation, and Persecution (e.g. Hours of Questioning in the Police Station by Nottingham's C.I.D. - under the instruction of The Lord Chancellor and the Department of Public Prosecutio with 'hints' of The Cells, and Search Warrents for my home and the Woman's Centre. Members of the C.I.D. arriving at my home with a "bug" on their person and recording my conversation. Having my Home 'repossessed' as the result of the Lord Chancellors Office of the D.H.S.S. REFUSING to pay the Mortgage Interest Rate ETC.), I now find it very 'Alarming' and Frustrating that I now find it necessary to submit another complaint of FURTHER Criminal Acts by Solicitors and Personel involved in my divorce case.

However, to save myself Time - Effort and Money, having to write to ALL these Departments Again, while they merely write back stating "This is not for our department" ! "We cannot deal with this matter - Write to so-and-so" ! "Thank you for your letter of - We have passed it to Department Such-and-Such" ! (etc. etc.), I am writing this General Letter of Complaint and sending a copy to ALL departments DEMANDING that you sort this matter out among yourselves, and that EACH department will take it's OWN responsibility for Disciplinary and 'Otherwise' Action against the Professional Malpractise and Misconduct (etc.) involved in the Criminal Acts of Perjury and FORGERY. which have taken place. I now State as follows :-

I, Lexie Mary Bell Reid of 109 The Downs, Silverdale, Wilford, Nottingham., do Charge :-

A) That Victor T Southam, residing at 306 Wigman Road, Bilborough, Nottingham., did commit PERJURY in his "Sworn" Affidavits to The County Court of Nottingham in the years 1982 - 1985.

B) That Victor T Southam (As Above) and his Solicitor JOHN STRICKLAND HODGSON, of Fraser, Brown, White & Pears, 84 Friar Lane, Nottingham.,and Julian Griffiths - Solicitor, late of Compertz & Co. One Station Street, Hucknall., did - On or About - October 1983 commit the Criminal Act of FORGERY of the Form of Surrender for my Insurance Policy.

Signed
L. Reid

and dated this 21st. day of August 1985.

I am enclosing with this letter, a letter of Complaint to The Law Societies Hall "Professional Purposes" as regards the behaviour of John S Hodgson, and his "UNPROFESSIONAL CONDUCT" in the Nottingham County Court Building at St. Peter's Gate., immediately prior to the sitting at 2.30 p.m. on the 5th day of August 1985.

I would also like to take this opportunity to express my feelings on this matter, which are as follows; "If all of these departments involved continue to Ignore their Duty to members of The Public, this does not bode at all well to the Future of British Justice and the welfare of the Population who have to rely on it." And who knows ? IF and 'when' this matter ever came to The Public notice, it Could become very embarrassing.

21st. August 1985

Sir,

Since 1981 - when I first instructed a firm of Nottingham solicitors-Gregsons of 84 Derby Rd., to begin divorce procedings against V T Southam resident at 306 Wigman Rd. Bilborough, Nottingham., on grounds of EXTREME Mental and Physical Cruelty (to myself and The Children), ADULTERY AND DESERTION, ETC. I have had occassion to write Numerous letters of Complaint to Various bodies as regards the Malpractice and Misconduct of the solicitors involved, which Directly resulted in Several Criminal Acts taking place against me through The Courts and Local Authorities in the district of Nottinghamshire. However, no action was taken as regards my complaints by ANY department written to. Instead, all I received from Each and Every One was a letter of reply so Devious,that had the Intent not been so obvious, would have been amusing in themselves but for the fact of the Implications of this complete Cover Up, and The Hypocracy of Innocent Victims of the Legal Establishments and Personel having to swear "Prayers to Court" as they are Persecuted and Hounded for refusing to accept the Corruption of Justice which takes place within these establishments.

However, despite this fact I now find it necessary to submit Further complaints of Malpractic Misconduct and Criminal Activities of the Legal Personel involved in my Divorce Case, and submit that you will find Some of these in the enclosed "OPEN LETTER" dated on this date. My further complaints as regards this matter are against John S Hodgson of Fraser, Brown, White & Pears, 84 Friar Lane,Nottingham., and J P G Addison,Area Secretary, Legal Aid Office, 5 Friar Lane, Nottingham as follows :-

A) That John S Hodgson of Fraser, Brown, White& Pears, 84 Friar Lane, Nottingham.,is guilty of conduct unbecoming a Solicitor (i.e. Professional Misconduct) in that he did PUBLICLY Slander my Name and Defame my Character in the County Court of Nottingham on the 5th day of August 1985 in a Deliberate Attempt to 'lead'(i.e. 'Mislead') my solicitor's agent at the Court Sitting of 2.30 p.m. on this date as follows.....
On being told that I was ILL, and that The Agent was there to produce the Medical Certificate and request an adjournment, Hodgson replied..."Nothing 'Trivial' I hope !" and went on to add - "I don't really mind an adjournment in the case as Lexie Reid may Die before the next hearing, and that would sort things out." ! On being told that I looked really Ill during my visit to The Agents office Hodgson said..."Well ! She always looks Bloody Awful.".! When The Agent replied that I had been'Shivering and Shaking' (With the high temperature of PNEUMONIA) Hodgson said.."That's the 'D.T.'s' - she has Delirium Tremens. I could understand it if the Sick Letter said she was suffering from Sckizophrenia. The Woman's a Bloody Nutcase." !

As I have Witness (and Evidence) to this and the other matters, I now submit that John S Hodgson of Fraser, Brown, White & Pears, is not Mentally, Morally, or otherwise competant to continue practicing within the Legal Profession, and Now Demand that such action as necessary and Required be taken against this 'man' and his Actions, Behaviour and Conduct.

B) That J P G Addison of the Nottingham Legal Aid Office did 'fail' to take Proper Action as regards the Complaints submitted to him, and that he did culpably refuse me Emergency Legal Aid to Protect myself from the Illegal and Unethical Practices of John S Hodgson and his client V T Southam, thereby causing me the High Costs of LONG TERM 'Legal Aid' and Court Costs made Necessary as a result.

C) Also, that he did Knowingly and Wilfully 'Contain' letters of Complaint in order to Protect John S Hodgson, his collegue in The Law Society and Citizens Advice Bureau, and that he did Deliberately WITHOLD addresses to which complaints had to be sent. These Addresses having to be "snatched" from behind the desk of the Nottingham Law Society Legal Aid Office, in order that Members of The Public could be made aware of them. Madam/Sirs,

On this "Rememberance Sunday", as I watch the 'cerimonials' in Whitehall and the presentation of wreaths by yourself and numerous members of your Parliament to the memory of those who died fighting the battles of the "Elite" during their struggles for Power, Glory and Control I find the Hypocracy of your "Parliamentary Prayers" almost too blatent to be coped with as they bring to mind other "Prayers to Court" etc. and other hypocracies which this so-called "Democracy" has been, and Is responsable for, whilst Opening Parliament with great cerimonials and Church Services which merely bring to mind the age old warning of the "Angel of Darkness" turning himself into an angel of Light and Misleading entire Nations.

As a Scot who's Father, Brothers' and Self served in the "Armed Forces" doing our 'bit' for Britain i.e. England, one brother - Fl. Lt. John Reid R.A.F.V.R. - giving his Life in the "service" of 'his' (?) country as "A Most Inspired Pilot"(according to the letter received by his mourning Wife and Parents from "King George".) while the Widow of this "Inspired Pilot" was abandoned to bring up her fatherless son on the "pension" of Ten Shillings Per Week allotted to her as "compensation" for the loss of the income of a Vetinery Surgeon, and as a Scot who has spent the past Three Years suffering at the hands of Unscrupulous English courts and solicitors, who's Unethical Conduct, Deliberate Malpractice, Illegal Actions, and Professional MIS-conduct etc. have been Proven time and time again, the evidence of this having been sent to numerous Government Bodies, Parliamentary Members, Legal Dignatories and Authorities etc. I can only now "request" an explanation as to why No Action has been taken to discipline the legal personel involved, but instead, every attempt being made to whitewash the whole situation and cover up for the Illegal Actions which took place, either by threatening ME and attempting to Intimidate me, or by the Deliberate "failure" of the Departments and Government Personel informed,to take action against the perpetrators of the Unlawful Acts which took place against me, and why I am now being told despite furnishing the Evidence and Proof of how an Unlawful Act was performed by the "courts" and solicitors of Nottingham and Birmingham that "there is No Case to answer" (!) and I cannot get Compensation for the Devastation the Unlawful Act of ILLEGALLY transferring some-one elses debts into My name has caused to my Home, my possessions, my life and my family, while the persons who caused this devastation through Deliberate Malpractice, are still "free" and practicing their 'Judicial Decisions' of Bias and Injustice while living in comfort and luxury on the High Incomes which their "Professional Status" and positions of "authority" provides them with, and helps them maintain.

Cont..

Cont..
As a means of illustrating a Small Part of the Professional Misconduct I have suffered from during the past Three Years, and as a means of illustrating a Small Part of the extent of cover up which has taken place to protect this Professional Misconduct, I am enclosing a copy of a number of booklets which have been printed on my behalf, (several copies having been sent to me with the request that I "use" them as I see fit,) with a "new" request that a Full and PUBLIC enquiry be held into the conduct of the Courts and Solicitors involved, and that I be Fully and Satisfactorily COMPENSATED for the Horror of being Deliberately and Calculatedly denied my Legal and Moral Rights,and Threatened and Intimidated for fighting against this, while Members of Parliament and Legal Bodies & Dignatories etc. sat back and watched it all happen, and on occassions Aided & Abetted by ordering ME to be 'questioned' and "bugged" by the police, and that I be fully and Adequately Compensated for the Emotional, Physical, and Social damage caused to myself, family, and possessions whilst living in the Dire Poverty "forced" upon myself and children by the Solicitors and "courts" involved and the subsequent Financial Loss and Cost this caused, while coping with the Harrassments we were/ are receiving - adding Further Damage to my already damaged Health, due to Thirty Years ABUSE in 'marriage'. (e.g. Living on £32 per week to keep THREE of us, while sleeping on the floor of an Empty Home with No Heating or Cooking facilities, while "hubby" LIVED on One Thousand Pounds per month, holidaying in America etc. while His debts are ILLEGALLY transferred into My name, and the bailiffs attempt to remove MY posessions to Pay HIS bills, on the instructions of the Registrars of Nottingham and Birmingham "courts") WHERE IS THIS "BRITISH JUSTICE" WE KEEP HEARING ABOUT. ?

Perhaps now you can understand my Anger about the Hypocracy of "Prayers to Court" etc. and Whitehall Ceremonies, as I listen to members of Parliament pontificating about Civil Liberties and "Democracy" etc. (e.g. Leon Brittain/Lord Hailsham/ David Steel/Neil Kinnock and your good self of course etc.) whilst "Sitting On" the Evidence and Proof of Injustice and Bias in court, and the Suffering and damage this has/is causing yet deliberately turning a blind eye as they speachify about "Justice" and "Democracy"; whilst being fully aware that Courts and Judiciaries are deliberately denying these rights to numerous individuals who come before the.

In this one case alone, there is enough evidence for the Public to make a full and Public demand for a complete re appraisal of the Legal System, and the removal of the "God Like" powers bestowed on the handfull of mere human beings with a "professional" status, who have proved time and again that their "status" and Powers fall Very Short of being "God Like".

Awaiting your response and replies, which I sincerely hope will be in a positive manner resulting in action being taken to protect members of the public, and disciplining the courts and solicitors involved.

Yours faithfully,

L. Reid.

The next pages consist of copies of the Court Documents illustrating HOW the Criminal Act of substituting Ms Reid's name on Judgements against her EX husband was carried out, but do not go into detail and show The Evidence that these acts were carried out in a Deliberate and Calculated manner (With Malice Aforethought) by The Courts and Local Authorities involved - under the instructions of JOHN STRICKLAND HODGSON of Fraser, Brown, White & Pears, 84 Friar Lane, Nottingham. (Telephone 0602 - 42541 - 6 lines)and in the Full knowledge of her own solicitor Susan Gregson-Murray, Gregsons, 84 Derby Rd. (Telephone 0602 - 411999) who promotes herself IN and 'with' the Woman's Centre as"Sympathetic To Women's Issues" ! The FULL details of this can be seen in "Statement OF Divorce - The Gregson-Murray File" (part 3). In the meantime - on page 14, you will find a copy of Ms Reid's Decree Absolute....please note the date. On page 15. you will find a copy of the EX PARTE (Where No One appears in court !) application to transfer this 'debt' onto Ms. Ms Reid...please note the date. On page 16, you will find a copy of a Judgement which had already been made against V T SOUTHAM, and on page 17 you will find a copy of the Forged Court Document on which Ms Reid's name had been substitued. The Point of this being that the courts did not only attempt to transfer the debt onto Ms Reid and make Her responsible for it, they actually transferred - by Criminal Activities - A Judgement which had been made against some-one else onto HER name by 'Substituing' Her name on the court document. These acts were carried out Secretly by the Dens of Iniquity called "Courts" for a number of reason, no least of which was to Deliberately place Ms Reid in a very vulnerable situation. As "Rates" debts are One of the reasons a person can be placed in goal,Ms Reid was being Deliberately SET UP to be responsible for her EX husband's debts, in order that The Court could instruct her to pay them - by Selling her Home ! or they would put her in gaol. This served several of their purposes in that.....

A) It was One of the means by which they could use their "Power and Authority" to wreak their vindictive and spiteful Woman Hating VENGEANCE on a woman who refused to bow down to their Injustices and Criminal Activities, and PUNISH her for what THEY termed her "Political Activities" and her involvement in the STRUGGLE for "Rights for Women", (See "Application of Appeal" to Nottingham County Court, and "Woman & MediKILL Practice" newsletter (No 4 'Emergency') in the hope that this would be an example to Discourage other women from taking up (h)Arms and fighting against The Corruption and Injustices we are subjected to under Male Domination.

B) It also relieved her husband from having to continue paying the mortgage on the 'Marital' home, and left him free to continue paying the Second mortgage he had acquired ILLEGALLY from Nottingham City Council, to purchase the Council home of Mistress Shirley Anne Grieveson at 306 Wigman Rd. Bilborough, the "Divorcee" living on Social Security (!) who merely saw a "Meal Ticket For Life" in the High Income from The Career of V T Southam, which Ms Reid had spent THIRTY YEARS of her life Building Up at the expense of her Own 'life' and Career ! - the Latest in the line of 'lady loves' who had been'encouraging' V T Southam to commit Adultery during this Thirty Year 'marriage'.
(Although it is a well known fact that No 'man' needs encouragement to commit

cont...

adultery, and that so long as it is handed to him on a plate he will grab it from ANYONE, this is no reason to blind ourselves to the fact that so long as we have these "woo-men" who are prepared to "Hand it to them on a plate", these 'unthinking' Bovine Cows will be USED against the rest of us who refuse to accept our husbands' Physical and Mental Violence and Use and Abuse, and campaign against The Injustices of The Law which Condones and "Aids & Abetts" the Mis-use of our Bodies and Ourselves and the "Violence Against Women" which this entails, by being constantly used as a Threat that if we don't 'behave' (i.e. Stop fighting against my Selfishness, Greed and 'Need') then we will find someone else who will fulfill Our Demands-(and sacrifize herself on The Alter of Male Marriage and EGO).!

AS SUCH - WE MUST LEARN TO LOOK AT THESE WOMEN FOR WHAT THEY ARE, AND RECOGNISE THEIR DANGER, AND THE DETREMENTAL AFFECT THEY HAVE ON THE STRUGGLE FOR "WOMEN'S RIGHTS"AND LIBERATION. THEY SHOULD THEREFORE NOT BE ENCOURAGED TO REAP THE WAGES OF 'HIS' SIN.

C) These acts also served the triple purpose of lifting V T Southam's name from the "Blacklist" where the Judgement Against Him would have placed it (thereby keeping his name 'pure' in order that The Credibility of the 'respectable' and 'civilised' Distribution Manager of Shipstones Breweries would not be brought into question),and Not So Fairly but SQUARELY placing Ms. Reid on it instead,

D) This very clever piece of 'Blacklisting' giving them the added bonus of making it impossible for her to obtain Credit, as they brought the rest of their Diabolical Plot into action, and Ordered that her home be "repossessed" and that she be made BANKRUPT - with all this entails, as her EX Husband of Thirty Years lived "Happy Ever After" in the New home he was buying ILLEGALLY, with The Whore who 'broke up' a THIRTY YEAR marriage. !

In the meantime "Back at The Ranch" - just in case this little lot didn't work out (as it DIDN'T in the end !),The Lord Chancellors Offices of the Legal Aid department of The Law Society and the D.H.S.S. were working in'close association'(i.e.Together - they are both the'same' De-partments!)preparing another means of Attack. (Full details of these aspects can be gleaned from "The Halifax Report" and "The DHSS - Tool of State Report") with the result that Ms. Reid IS now having her home "repossessed" !

The Ironic thing being that Ms Reid spent most of the thirty years spending HER money paying HIS bills, to keep HIM out of gaol or Debtors Court.[For an example of Mr Southam's "Credability" see page 18.]

See "Application of Appeal" to Nottingham County Court...for further evidence of the "Credability" of V T Southam, and the Summons to Court for Non payment of another debt, with the letter to Ms. Reid thanking HER for paying it.!!

In case the pages you have just read are 'Insufficient Evidence' to the Depravity of the established Male Authorities to which women are subject, perhaps the following pages will be the 'Conclusive Evidence' that The Law is a FARCE in it's Parody of Justice. But you can be assured that it is not such an 'ass' (???) as we have been led to believe. 'The Law' is a very clever demonic con trick to give "men" the Control to keep women very strongly in'her place' by Persecuting her - under the guise of Justice, firstly for Being'A Womban'(i.e. "Man" WITH a womb:-'The Ultimate' and Final Creation of the Human Race), and secondly - to Usurp HER 'Power and Glory' which he envies, and Hates her for so much.)

We are therefore enclosing on page 20 the copy of a City Council (This time) summons to V T Southam, which although he had 'absconded' from the 'Matrimonial' home in Nov. 1981 he was Legally Responsible for until such times as a Decree Absolute. ! Please note the date 1982 on this summons. On page 21 we enclose a copy of this summons which had been 'suddenly' switched to Ms Reid's Married name of "Southam". Please note the date of 'this' summons...JULY 1983, and remember that Ms Reid's Decree Absolute had gone through in the County Court of Nottingham on the 25th Jan.1983.! On the following page (22) there is a copy of the letter Ms Reid received "by way of Explanation" when she presented herself at the GUILDHALL Nottingham to demand an explanation from the City Treasurer - Mr Stares, as to why She was being Summonsed to pay a debt which was Not Hers. During this time she had in her possession a letter from her now EX husband V T Southam dated 11th MAY 1982, to her own solicitor Gregsons 84 Derby Rd., stating the The Bailiff had called at Southam's place of employment (Pork Farms) with a warrent to impound his possessions for NON payment, but had agreed to 'hold this over' in order to give Southam further time to pay, and that Mr Southam was fully aware that this debt was Legally HIS. Yet GOODALL at Gregson-Murray's instructed Ms Reid to pay it ! (The FULL story and it's implications of these 'Local Authority' Switches can be read in the "Severn Trent Water Authority - Extortion Dept." and "The GUILDHALL - Intimidatio Dep." publications). On page 23, you will find a copy of The Warrent against Ms Reid, and The Threat that NO FURTHER TIME WOULD BE GIVEN" , as a result of the Criminal Activities of The Courts and Local Authorities involved.

And in case these pages are still not sufficient evidence to prove that all these activities were not merely 'coincidence' and 'mistakes' on the part of the Authorities we are enclosing(on page 24) a copy of ONE of 'the Notes From File' in GREGSON-Murray's Solicitor, and a letter Ms. Reid received from the Law Societies Legal Aid Office immediately upon Gregsons application for "Legal Aid" for Ms Reid's Divorce proceedings to 'begin'....ONE YEAR after she had been 'given instruction'.!

As a result of all this, the DHSS have DELIBERATELY "failed" to pay her the correct allowances, and she had been taken to "court" to have her home "repossessed" for the "Arrears" of Mortgage of £1, 600 which are owed to her by the DHSS. She has been Ordered By Th Court to pay 'this arrears' from her income of £120 P.M "maintenance" at the rate of £67 per month. Her application of appeal (copy on page 25) has been very cleverly Denied her, by the Nottingham Couty Court, and the "Royal Courts of Justice" despite the fact that she has the evidence to prove that the DHSS are LYING and are swindling her out of this money with the Deliberate Intent that she should lose her home. (see FULL reports in Halifax and DHSS Reports)

Would you therefore make the necessary alterations to your records when sending out this years rates please.

While his wife has in her possession a letter stating that his 'Mummy & Daddy' in Peterborough have No Idea where Victor is. !

LEXIE REID has again asked me to have a look at her recent WAMP news letter. I am very concerned about all this partly because she does not really pay much attention to the advice I give her about not publishing and will always "Publish and be damned". Secondly I am not sure how far this firm wants to be associated with the sort of things she is saying. I refer you to page 7 of the Newsletter with her comments in the first column on defamation, which she may not properly understand. Also to the comments on the Law Society as "illegitimate sons of Satan" second column pg. 7. On pg 8 there is a reference to some rather dubious Legal Advice although I don't think this is anything to do with us. However the story as it continues on to page 9 clearly does refer to her and to her divorce case. There is criticism of the law of maintenance in her case on pg 9, first column, which Marian should perhaps look at. Although no names are mentioned this could be seen as contempt. In fact after a break the story of her relationship with her husband and children continues at the bottom of pg 9.

WARNING DRS ABUSING & THE SOLICITORS PROFESSION

THE "RAMER DUBIOUS LEGAL ADVICE REFERER TO IS VERY MUCH TO DO WITH THEM! IT WAS MARION K GOODALL WHO WAS GIVING ME IT

Pg. 11 again probably more contempt about the Registrar of the Leicester County Court; I think Marian has been dealing with this matter too. Bottom half of pg 11 and following pages relates to a Client of DKM's Linda King. We do not at present have clear instructions from her to proceed in this case. There is nothing really very prejudicial or controversial on that matter however.

SEE HER HOME. PAY EX'S DEBTS. MOVE INTO HOMELESS PERSONS PLACE WITH CHILDREN.

The issue is not whether we share Lexie Reid's beliefs, or agree with her method of putting them across. It is whether there is any point in advising her as to the risk of contempt and liable, when she will publish anyway and whether there is any point in continuing to conduct cases, especially the divorce, when our Client is probably committing contempt and certainly acting in a way which is contrary to our advice.

I should also like to add, that on receit of Mr. Morgan's letter with his "Publish & Be Damned" remark, this newsletter was then sent - Recorded Delivery - to several Members of Parliament requesting them to "Please Sue", because we ARE in Contempt of court - in utter and complete CONTEMPT of 'court', and feel absolutely NO 'guilt' about it. APPLICATION TO THE COURT OF APPEAL (CIVIL DIVISION)

EXTENSION OF TIME FOR APPEALING

NOTES FOR GUIDANCE

1. INTRODUCTION

The time for serving notice of appeal is 28 days from

a) the date the order was made (if it was made in a County Court or in the Divisional Court of the Queen's Bench Division, or if the order grants a decree nisi of divorce or nullity of marriage)

b) the date on which the order was perfected (i.e. sealed) if made anywhere else (apart from at the Social Security Commission

EXCEPT in the case of an appeal from the Social Security Commission where the time for serving notice of appeal is 6 weeks from the date of the grant or refusal of leave to appeal by the Commission.

The time limit for setting down your notice of appeal with this office is within 7 days of service. [N.B. This applies whether the notice has been served on the 1st or on the 28th day from the date of the order]. In the case of an appeal from a decree nisi, the notice of appeal must be served and set down within 28 days.

These time limits are fixed by the Rules of the Supreme Court, Order 59, rules 4 and 5. (Your nearest central library may have a copy).

If you are too late to either serve and/or set down your notice you should approach the other party's solicitors for a letter of consent extending your time for serving and/or setting down.

If they provide such a letter you should lodge it with us together with the other documents necessary for setting down. You will then not have to go to the expense of making an application to the Court for an extension of time.

If they will not provide such a letter and if you want to continue you will have to make a formal application. It will be heard by the Registrar of Civil Appeals.

Please read these notes and the form carefully.

Footnote:
Ms Reid had to wait almost three weeks to receive her copy of the Court Order repossessing her home. As soon as she received it she submitted her Appeal. This was returned to her by Nottingham County Court with instructions she would have to sent it to London. SHE DID THIS, and had it returned from there with the request to send the Court Order in order that London could give her 'Directions'. SHE DID THIS, and had it returned with a letter saying it was "Too Late" and enclosing a form of Application for Extention of Time for Appealing. We thought "B" of this page VERY INTERESTING. !!!!

Just to illustrate the strength of women, and show that we can still maintain a sense of humour (and Unbiased attitude) even when under fire - and all those around us are losing their heads, we felt that the following poem **"in saying it all"** to The Documents that have gone before, was the perfect follow up to help us sustain our balance in what otherwise is an extremely 'unbalanced' society, by bringing a little 'lightness' into a very 'Darkened' situation.....(Or could you say we have a very 'warped' sense of Humour ?)

ZZZ

As we come to the end of this newsletter we are left with a feeling of frustration knowing that it has only been able to tell a minute part of the herstory, and can only hope that this 'small part' is enough evidence to prove that Corruption Rules - O.K.! and that women will Never get justice while labouring under the present system. ONLY WHEN WOMEN TAKE THE LAW OUT OF THE HANDS OF MEN - WILL WOMEN GET JUSTICE. For too long now we have watched as the lives of women are steamrollered under the Juggernaut wheels of His testerical stampede for Power Glory - and CONTROL, as we try to deal with this "man" in a civilised manner by writing letters of complaint, or requests for "Assistance" to the very Male Dominated Authorities who have SET HER UP in the first place. For too long now we have wasted valuable time and energy 'trying to win them over' by joining their little (Party Political)games, and attempting to 'work from the inside'. It is a proven fact of herstory that this does NOT work. He only Uses the situation to twist the facts while playing Mouth Music to the struggle for woman's liberation as he prints leaflets about his 'militant' struggle for woman's rights, and the nice little Hand Picked 'ladies' like the Oppenheimers (our wild flower child), the Thatchers', and more locally - the Betty Higgins' of this world, are granted very high income to keep their mouths shut about the true extent of Male Corruption and Persecution of Women, as they put a high gloss on the seats of The Chairs in the offices of Male Authorities.

This conviction has been truly born out by Ms Reid's experience in what she terms her "Nottingham Nightmare".! "It's been like living through the horror film The Stepford Wives. In fact, I think Nottingham is Britains answer to this. Come to think of it - I'm not so sure that this is just limited to Nottingham. I have had no support at all from 'feminists' in Nottingham. The women who are supporting me are women who would "just not go near 'that' centre" ! I have been appealing to Nottingham Woman's Aid for almost three years now to give me support on this matter, not only for my own sake - but for the sake of other women who have to go 'through' this legal system to get a divorce or any other form of "Justice". In the end they held a 'special meeting' about 'Lexie' to which I was REFUSED a hearing, (This was after I eventually lost my temper about their 'apathetic attitude' to the PROVEN corruption taking place in the courts of Nottingham which were sitting in judgement on so many women, and demanded that they call a meeting to which "I" was invited,to place before them ALL the evidence of the Criminal Activities going on.)and returned to tell me that "this is not a Woman's Aid Issue - we are not a campaigning organisation." ! and told me that I was just a 'sponger' on the woman's centre, and didn't need support anyway.! All this while they run a 10 -12 Answering Serice, and spend most of their time 'applying for grants'so they can have nice little offices to 'interview' Battered Women ! and give lectures in the W.E.A. about the Woman's Liberation Movement and 'The Law', while giving Talks to The Police and Women's Institutes about the 'Good Works' carried out by Women's Aid ! as they have women 'lifted' By The Police from the phone box, and "Committed" as they phone them for HELP ! One of the little ladies from the Labour Party actualy asking me..."Just what have You ever done for US anyway ?". As this is all more than just "A Little Bit Frightening" - the solicitors (etc) involved in the Criminal Acts in my

divorce case And the Cover Up, also being Heavily Involved IN and WITH Nottingham's 'Left Wing' Party Political Organisations and Affairs (e.g.See front cover), I am compiling a dossier on this matter too, as an Important Herstory in a Feminist's struggle for Human Rights, showing that when Party Politics come in the window - JUSTICE goes out the door, as everything becomes "For The Good of The Party". ! "... and Mrs Betty Higgins - Leader of the Labour Party dominating Nottingham's City Council (and Mr Nigel Lee), make a Profit from selling 'Porn' licenses to book shops. - A group of women campaigning against this act by Nottingham City Council, and demonstating outside the Council House, while others scrambled over it's roof to unfurl a Banner saying "This Council Abuses Women". .....

Thought this was time to introduce another piece of light heartedness in the following "Thought for Today" scribbled on the 23.1.85. while watching 'Lady' Susan Biggs (Labour) during the televising of The House of Lords :-

Senility Rules - O.K. !
In the government of today
Be it Labour or Peer
His mind is not here
It's 'flying' Dementia's Way

Senility Rules - O.K.!
It's the order of the day
While the minds of our 'Peers'
Are as blocked as his ears
And Rotted with Senile Decay.

(Wamp - Nottingham)

Anyway, enough of this nonsense. We are fed up having to type this newsletter, so we are going to finish it off F.A.S.T. by just listing the following pages with a short explanation as follows.....

page 31 - Letter of Appeal to The Law Society from a Ms.L King. after her "Legal Aid" had been 'withdrawn' by them on the grounds of "Insufficient Evidence". See reference to Ms King in The File Note on page 24 with regard to the Women & Medikill Practice newsletter - this is just ONE of the reasons Ms Reid was/is being HUSHED UP as she wrote of another Medical Abuse case which has left a woman Paralised after having part of her brain burnt away by 'laser beam' ! (See Wamp newsletter No 3,

page 32 - Letter received by Ms Reid as a result of the Criminal Activities in her divorce being 'Leeked' to other departments. This is just One of "The Cases" who have written about the Prejudices of The Law and how it abuses women. So come on Sisters - give us Support and Backing. We can't do it ALL ourselves. Help us make this Court Corruption a PUBLIC ISSUE. "Sisterhood is Powerful - ONLY if we USE it."

page 33 - First page of the "Application of Appeal" submitted to Nottingham County Court re Application for Maintenance.

This is the other reason Ms Reid was/is being "Sat On". she was using her Thirty Years Evidence and Witness to help set a precident for women, by stating that if one is Damaged in a crime of violence on the street, and can claim compensation, women DAMAGED IN MARRIAGE should be given the same consideration. !(Especially During Divorce.)

28th.Aug.1985

Sir,

Thank you for your letter of 9th.Aug.1985 informing me that the Law Society had (on receit of my 'Councils Opinion' - Mr Bloom of Manchester) Discharged my Legal Aid certificate as regards my charges of professional "Negligence" against members of the Medical Profession, and would hereby inform you that I am taking up my Right of Appeal against the withdrawal of my Legal Aid certificate on grounds as follows:-

1. At no time have persons who have WITNESSED the professional "Negligence" I have been subjected to, been called upon to give Witness or Evidence.

2. At No Time ha ve the persons who have Witnessed the Professional "Assaults" I have been subjected to, been called upon to give Evidence or Witness.

3. At no time have persons who have Witnessed the Physical and 'Emotional' Trauma I have been victim to during the Years I was attempting to get the Medical Profession to acknowledge and Correctly Treat my PHYSICAL COMPLAINT, been called upon to give Evidence and Witness.

4. As the Report from Professor Galasko on which Council based his opinion, is, of itself, Evidence of Professional Malpractice in it's attempts to hide the truth, cover the facts, and Protect the Professional I am enclosing a letter of complaint I sent to my solicitor as regards this 'report' dated 21st.June 1985, with the added statement that at no time do I make statements or 'allegations' which I cannot substantiate. I would therefore specifically like to bring to your attention No's "5", "6" and "7" of this letter with the added comment on Galasko's report as to his 'Failure' to find any "ORGANIC" cause for my symtems..."At no time had I complained of any ORGANIC cause, and at NO TIME did Professor Galasko Examine for this." However, as a 'specialist' in Orthopaedics, it does seem to be particularly alarming that Professor Galasko appears to be so unaware of Direct AND Indirect effect of a structural deformity of the Spinal Column, as it effects the Spinal Cord running through it's centre.

5. As 'Council Opinion' of Mr. Bloom which withdrew my Legal Aid was based purely on the "medical" report of Professor Galasko with all it's Innuendos and deviation from Fact and Truth, I can only conclude that this is Yet Again another Professional Cover Up.

Looking forward to hearing from you.

Yours faithfully,

L M King

Ms. L. King.

P.S.

The Horrendous experience, and the Legal Cover Up of the Professional Malpractice, "Negligence" and ABUSE Ms King has been subjected to by members of the Medical Profession will be Outlined in the next newsletter.

Dear Lexie?

I do hope I have the right name, as it was given to me by a member of the [redacted] Rights Centre.

I understand you have been interesting yourself in the work Solicitors do or don't do for their unsuspecting clients.

I don't know whether my complaint would be of interest to you, but being divorced from my husband for some little while - us having lived together after the divorce for about fourteen months - I contacted a Solicitor to act for me with regard to financial side of our lives and to arrange some definite maintenance for our then two children - one being his son by his first marriage - but up to September of last year when I changed Solicitors, nothing had been done to my advantage.

I contacted another Solicitor who has been dealing with matters for me, but if I need to complain about the conduct of the prior solicitor I would get no assistance with the legal expenses, so nothing could be done in any quarter, other than to report his behaviour to the Law Society, which I understand, do very little to assist the 'ordinary man in the street'.

If you feel you would like me to outline all the details of my complaint, I would be more than pleased to assist you by taping my grudges, and sending it to you under separate cover, as I do believe, I was not given the correct advice, my file was separated in two when the new solicitors requested it - which must have taken a considerable amount of time as it was rather large - and at the end of the day I had to pay all my ex-husbands Court Costs as he has no money, and to this date have received no statement of satisfaction for the £3,000 they withheld for their costs. There are so many anomalies that I am afraid it would take too long to write.

If you are interested in contacting me again, please do so, as anything I could do for you in this area (Sussex) would be my pleasure.

Yours sincerely

AFFIDAVIT

I - Lexie Mary Bell Reid of [redacted] - Volunteer Worker for Legal and Human Rights and Civil Liberties for Womben, make oath and state as follows :-

1. I make this affidavit in support of my application dated the 2nd day of July 1985.
2. This Affidavit and Application are the result of the Thirty Years physical and emotional Violence and Degradation and Spiritual Depravation suffered as the result of a Biased and Prejudicial legal system which Refused to divorce me from an extremely violent, Evil, and Corrupt "man", and the past Four Years of Additional Horror I have experienced as a result of the extreme poverty and Depravation forced upon me by the machinations of 'The Law' and it's agents as the result of their Refusal to allow the TRUTH to become known, and PERSECUTE me for telling it,during my attempts to obtain a 'Just', 'Honourable', and CIVILISED Maintenance Order and settlememt of Divorce from Nottinghamshire's Legal Establishments (i.e. The Midlands and Oxford Circuit), and Local Authorities.
3. The following statements are an outline of the TRUE case herstory of this matter, and the Injuries and Injustices suffered as the direct result of the all out testerical attempts of The Law and it's agents to Contain these Truths by Threats, Intimidation and Harrassments.
4. In 1951 - having been brought up to be a 'nice', 'respecable' Young Lady isolated from the fact of life so far as Women were concerned, and completely 'unaware' of the Dual Standards inculcated into me by the Myths of a "Blame The Women" society, I married the butcher's delivery boy from the back streets of London who Raped me, because I felt 'unclean', 'unfit' to marry a "decent man".
5. Consequent to this act of Naivety, the subsequent Thirty Years of 'enforced' marriage to this 'man' was a Physical and Mental Endurance Feat of the first order involving Extreme Physical Violence (resulting in several abortions), RAPE - involving several attempts to strangle me, Child Molesting, consistant Un-natural and Degrading Sexual demands, cheating lying and stealing, and Womanising ETC.

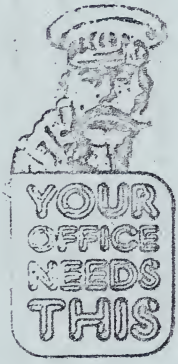
SOCIAL SECURITY - WHAT IS IT.?

BIG BROTHER IS WATCHING YOU.!



HAVE YOU HAD ENOUGH OF THE INCOMPETANCE, INSOLENCE, AND DOWNRIGHT IGNORANCE OF THE HIGHLY PAID 'EMPLOYEE' OF THE LORD CHANCELLORS OFFICE SITTING BEHIND THE COUNTER OF YOUR "SOCIAL SECURITY" OFFICE.? HAVE YOU HAD ENOUGH OF THE INSECURITY OF SOCIAL (STATE) CONTROL, AND THE MANIPULATION OF THE MASSES BY THE FEW.?

IF YOU CAN ANSWER YES! TO THESE QUESTIONS, THEN COME TO A MEETING IN THE INTERNATIONAL COMMUNITY CENTRE, MANSFIELD ROAD, ON THE 1ST.AUG. 1985. AT

7-30 PM.

We are a group of people who have got together because we are ANGRY about the way we are treated by the staff of the offices of the Department of Health and Social Security. We are ANGRY about their FULLY TRAINED COMPETANCE in Underpayment. We are ANGRY about the Cheek we receive from these members of staff when we complain that we are being taken to Court for "Non-payment" of Rates etc. which WE should not be making. We are ANGRY about the "Couldn't Care Less" attitude of members of "The Staff" when we complain that we are about to lose our homes -have our electricity cut off - gas cut off - water cut off etc because of the Competance of their UNDERpaymnet system. WE ARE ANGRY ABOUT THE HARRASSMENTS WE RECEIVE IF WE CONTINUE TO COMPLAIN AS THEY RUSH US OFF TO THE SALVATION ARMY SOUP KITCHEN FOR A CUP OF HOT SOUP AND A BLANKET — as we are made homeless through their Gross and Wilful Maladministration and highly Trained Competence in UNDERPAIMENT.

Thatcher has introduced more Harrassment tactics by cutting back on a number of "Social Security" allowances.What is it going to be like THEN,? when even now we find it impossible to pay us what we are legally entitled to.
